### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college has followed a transparent internal assessment system and every teacher adopts different methods to assess students' knowledge and tries to make an internal assessment system robust. As per GJU S&T, HISAR, internal assessment is 20 marks in all UG classes. 1. Two handwritten assignments for 10 marks (5 each). 2. One class test - 5 marks. 3. Attendance - 5 marks. 90% onwards - 5 marks. 81%- 90% - 4 marks. 70%- 80% - 3 marks. 65%- 70% - 1 marks.

At the beginning of the semester, every teacher informed their students about the schedule, syllabus, and paper pattern of internal assessment. One test is compulsory for internal assessment. Many innovative methods like presentations, group discussions, and debates are used to assess students' communication skills, clarity of concepts, and learning abilities. Internal assessment is shared with students before submitting them to the internal assessment committee. Internal assessment is always displayed on nice before submission to the

university. A reasonable window is provided to students for reporting the inaccuracies, discrepancies, and omissions to the internal Assessment committee for necessary action.
